

Arizona Masonry Council Masonry Skills Challenge Rules

October 28, 2023

Please read the following rules carefully prior to competition. Failure to comply with these rules and procedures will result in compromised scores or disqualification.

- Each contestant's project must be completed within the three-hour time allotment. No work may continue past the three-hour time limit, and no continuances will be granted for any reason.
- Each contestant must wear pants, work shoes or boots, gloves, and safety glasses at all times and abide by proper safety methods.
- Competition t-shirt will be provided and must be worn throughout the competition including the awards ceremony.
- No contestant is allowed to consult with anyone during competition, including instructors, other competitors, or judges. All the information needed to complete the project is provided within the project drawing.
- Each contestant will be judged on the following criteria for a total of 150 possible points:
 - Plumb (0-30)
 - Level (0-30)
 - Square and range (0-20)
 - Measurements (0-30)
 - Production (0-20)
 - Tooling and neatness (0-20)
